- ▶ Duration 4 Years

## KICKSTART A FULFILLING CAREER WITH REDMAC AG SERVICES

We're seeking enthusiastic Year 12 students and recent school leavers for a full-time, four-year apprenticeship at RedMac Ag Services' Moora and Three Springs locations. As a top Case IH dealership in the WA Wheatbelt, we offer a unique start to your career with cutting-edge agricultural machinery and tech, guided by experienced pros.

At RedMac Ag Services, we foster a supportive, inclusive environment where growth thrives. Joining us means entering a community that values innovation, teamwork, and service excellence. This apprenticeship is a foundation for a rewarding career in agriculture, with many pathways for advancement.

## ABOUT OUR APPRENTICESHIP:

Experience practical learning, gain expert training, and attain a trade qualification in the agricultural sector—all while earning and developing your skills. Upon completion, you will have secured a permanent role in a vibrant essential industry. You'll also possess a robust skill set as a Agricultural Heavy-Duty Mechanical Technician, with proficiency in diagnosing hydraulic systems and identifying electrical faults.

## WHAT WE'RE SEEKING:

**We want apprentices who stand out and make an impact. Ideal candidates should be:**

- ✔ Year 12 students or recent leavers, preferably from an Ag College or with a strong interest in agriculture.
- ✔ Determined, with a can-do attitude and committed to a four-year apprenticeship.
- ✔ Passionate about a long-term career in agriculture.
- ✔ Mechanically inclined, with a strong work ethic and dedication to excellence.
- ✔ Physically fit for the role.
- ✔ Hold a valid driver's licence.
- ✔ Ready to work long hours and be on call during busy seasons.

## HOW TO APPLY

Take the first step towards your future with RedMac Ag Services, where your passion for agriculture can flourish and lead to a fulfilling and successful career.
